

InputManager::ProcessInput

```
graph LR; A[InputManager::ProcessInput] --> B[IsKeyHold]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'InputManager::ProcessInput'. The right box is gray with a black border and contains the text 'IsKeyHold'. A blue arrow points from the right side of the left box to the left side of the right box.

IsKeyHold
