

base_engine::IShape
::SetOffset

```
graph LR; A["base_engine::IShape  
::SetOffset"] --> B["base_engine::IShape  
::ChangeNotification"]
```

A diagram showing a transition from a shaded box to an unshaded box. The shaded box on the left contains the text 'base_engine::IShape' and '::SetOffset'. A blue arrow points from the right side of this box to the left side of the unshaded box on the right. The unshaded box contains the text 'base_engine::IShape' and '::ChangeNotification'.

base_engine::IShape
::ChangeNotification
